Equity & Belonging

Employee Resource Groups

Zillow's 9 Employee Resource Groups (ERGs) are the largest connection point for employees with close to half the company members of at least one. By becoming a member of an ERG, you will have the opportunity to connect with other members of the ERGs, explore career development opportunities, build community, and contribute to Zillow's culture.

ERG Programming

The ERGs host year round programming developed with their members in mind! Each ERG curates custom events highlighting the needs of their members from Fireside Chats with Zillow's Leaders to Heritage Celebration Months.

Learning Programs

Zillow is committed to building a workplace where everyone can thrive. You have access to facilitator led sessions designed to ensure participants learn from lived experiences as they discuss ageism, sexism, racism, ableism, and other biases. Zillow also offers programs designed to enhance cross-cultural competencies and strengthen allyship.
